April 2019

Dear Parents

Welcome back for the start of the summer term we hope you enjoyed the Easter break.

**The theme this term is Watching how things grow.**

The children have already started by planting garden peas and this week they are sowing cress.

**Visiting Streets Meadow Wednesday 15<sup>th</sup> May.**

We will be walking 10 children down to Streets Meadow to sing songs and have a snack with their residents. Would the parents who kindly offered to help us with this visit confirm with us that they are available on that Wednesday.

We hope this is going to be a regular activity and all our children will be involved.

**Protection from the sun.**

The children spend most of this term outside and need protection from the sun. We will re-apply sun lotion for you at lunch time, using Nivea factor 50, but please will you put sun lotion on your child before they leave home. Please fill in the attached slip on page 3 and a £1 per child which will cover the cost of the lotion for this term. If your child is allergic to this brand and you would still like us to protect them, please bring in the brand you use with their name clearly marked on it.

**Sun hats.**

We have enough sun hats for every child and the children soon learn that not wearing a hat means no outside play.

**Having Lunch at Kindergarten**

The children are really enjoying staying for hot lunches and having a chat with their friends. Please could we ask you if your child is bringing in a lunch box and you are putting in grapes to cut them in half long ways to avoid them choking. We are always talking about healthy eating with the children through what we give them for snack and what they cook.

**The Tree House Theatre Company**

This was a favourite last summer, telling and acting out a story about pirates. I have contacted them and I am waiting for their reply.

**Our Facebook page.**

We would like to include the children in the activities on our page. This will not happen unless we have parent's permission.

If you are happy for your child to appear on our page please could you sign the slip on page 3.

**Yoga Bananas**

Yoga with Octavia Hampton. The children really enjoy the experience and they listen and concentrate learning new skills. There will be no charge for these sessions at the moment as we have some funding which will cover the cost for the children who take part.

**Visit form Longdown Dairy mobile Farm Tuesday 25<sup>th</sup> June.**

This has been a favourite morning with all the children and their parents for the last 3 years everyone is invited. There will be a letter going out nearer the time.

From your Kindergarten Team

**Dates for your Diaries:**
